TO BUILD TOBACCO WAREHOUSE HERE.

A move that is on foot and that is reported to be making considerable headway the past few days, is to build a tobacco warehouse in Dickson.

This project has been agitated here for several years, but not until recently has it made much progress. This year there are several hundred acres of tobacco raised within a few miles of Dickson which would naturally be put on the market here with the proper warehouse facilities available, instead of taking it to Clarksville or some other market.

The proposition of foot is to form a stock company of from \$5,000 to \$10,000 in \$10 shares, buy a suitable location and erect a warehouse.

A stock subscription list is being circulated this week and those having it in charge report they are meeting with good success and it now seems that this new enterprise for Dickson and Dickson county will soon be put in operation.

It is hoped that everyone who possibly can will take stock in this company and help in every way possible to complete the warehouse at an early date.

It is a fact long since been proven, that Dickson county is well adapted to the growing of tobacco and with adequate warehouse facilities here, Dickson county would soon become among the banner tobacco raising counties in the state.

A Bargain.

30 acres for sale adjoining the city limits of Dickson, all under good fence; 10 or 12 acres bottom land; fine corn and pumpkin crop now growing; good never-failing spring; good house inside corporate limits on large lot; good outbuildings. For sale at a bargain. See us at once.

Oil News.

News comes from Wilmington, Delaware, of the incorporation in that state of the Regal Oil & Development Co., Lexington, Ky., capital stock \$1,000,000. The incorporators are all composed of Lexington men. The company plans to develop oil, gas, coal and timber lands. They control about 10,000 acres in Kentucky, Tennessee and Texas. This company has holdings in Dickson county.

11,000 POUNDS TOBACCO DESTROYED BY FIRE

A tobacco barn containing 11,000 pounds of tobacco belonging to John and Cleve Davis at Sylvia, was destroyed by fire Wednesday morning. The estimated loss is \$3,000 with no insurance.

Applicants For Census Taking Wanted.

Mr. Thomas Y. English, of Mt. Pleasant, who has been appointed by the Government as Federal Enumerator of the 14th Census for the 7th Congressional District, has written J. T. Patten, Postmaster at Dickson, requesting him to announce that an examination will be held at the Courthouse in Dickson on the 27th of October for applicants to assist in taking the census in Dickson county.

All parties desiring a position under the government for aid in this work, will fill application with Mr. English, Mt. Pleasant or J. T. Patten, Dickson.

Presbyterian Church Notes.

With gratitude for the blessings enjoyed in the past two weeks of special services, let us enter upon the work before us in a united effort.

There is something for all to do. The preaching of Bro. Burns has been strong and helpful and the results should appear in many ways in the work before us in the present and also in the future.

JUDGE J. B. WEEMS RE- CEIVES APPOINTMENT

Governor A. H. Roberts has appointed Joe B. Weems to succeed himself as County Judge until the August election next year.

At the July term of the County Court, a resolution was read charging that Judge Weems had vacated the office of County Judge when he accepted the office of Chairman of the Highway Commission. Action on the resolution was deferred at that term of court with the instruction to secure the opinion of the State Attorney by the October term.

State Attorney F. M. Thompson rendered his opinion and held that the office was vacant as charged and that it was the duty of the Governor to appoint someone to fill the vacancy until the next August election.

Judge Weems and Ex-Judge W. R. Hudson were the only applicants for the office and the governor wrote letters to each magistrate in the county asking them for their choice, which resulted in the appointment as above mentioned.

The Work of the Red Cross.

That the American Red Cross has nobly met every obligation when it comes to standing by our boys who went to fight our battles is a well known fact—this alone ought to make us willing always to give our very best to it—but now as the war is over, of course all of the soldiers are not home and let's not neglect the ones who have stayed to see the job finished. There are still greater problems to meet and our government realizes that the Red Cross is the one organization that can help meet these needs that naturally follow with reconstruction days, and has put its stamp of approval on it, while it has thanked and complimented ever other war organization for its work rendered they will all be disbanded after Nov. 1, and the Red Cross alone asked to work in time of peace as in war.

Taking it for granted that every Dickson citizen is patriotic—all we need is a heart and a dollar to be ready for the third membership roll call, when Dickson county expects and will send four thousand names with four thousand dollars to aid in this great work for humanity.

POST OF THE AMERICAN LEGION IS PROPOSED

At a meeting held in the Patriot Theatre Monday evening, plans were discussed and promulgated for the establishing of a post of American Legion at Dickson for ex-service men of Dickson County. The meeting was in charge of O. T. Anderson, from State Headquarters in Memphis, and was attended by quite a number of ex-soldiers and sailors, who openly expressed themselves as being enthusiastic in favor of forming a post. M. N. Crawford was appointed temporary chairman. Also membership workers were appointed.

Some of the principles embodied in the American Legion obligates one who joins to "uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one-hundred percent Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and masses; to make RIGHT the master of MIGHT; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify comradeship by our devotion to mutual helpfulness."

All person serving in the military or naval service of the United States at any time during the period between April 6, 1917, and Nov. 11, 1918—except those dishonorably discharged and those who refused to perform military duties on the ground of conscientious objection—shall be eligible to membership. A hearty endorsement should be given this organization by all, by so doing there will be no hitch in the forming of a permanent post in Dickson. Membership fee is \$1.00 per year.

H. C. THOMPSON ELECT- ED W. & L. COLLECTOR

At a special session of the City Council held Thursday night of last week, Recorder H. C. Thompson was elected as collector of the water and light bills and is to receive for his services 4 per cent of the revenue collected each month. This new office was created last year and has proven quite a success over the old method of collecting these bills, as was shown by the report made by G. L. Pente cost, the collector the past year. Only a few dollars are on the delinquent list in this department for the past year, as compared with the old method of collecting.

Alderman H. T. V. Miller was elected as Mayor protem for the ensuing year.

The contract for hauling coal to the power house was awarded C. Cates. His bid being 70c per ton, or 5c on the ton less than the bid made by Joe L. Parrish.

A motion was carried instructing that all light meters that are so situated that the meter reader can not get to them in case the occupants of the house are not at home, be removed either to the front or back porch.

Church of Christ.

John T. Smith will conduct services at the Church of Christ both Sunday morning and evening. Let everyone make an effort to hear him as these will be special services. Subject for the evening will be: "The Thief on the Cross,"—by chart.

Sunday school meets at 9:45. W. A. Meadow in charge. It is the duty of all parents to come and bring their children, or if they can't come, to see that the children are there.

Prayer meeting each Wednesday evening at 7:30. Study for next Wednesday will be the 6th chapter of Romans.
